

# Colorwave

with CleanColor Technology

Fresh has just taken the Wave 3D — the world's No. 1 selling urinal screen — and made it better!

## Virtually eliminates urine splashback

Changes color from dark to light when urine hits it, encouraging better aim

## Improves restroom appearance & customer experience

Patented, long protrusions break up the urine stream so clothes, floors, and walls stay cleaner

## Keeps restrooms smelling fresh longer

2-3 x more fragrance than any other similarly sized screen for 30 days of freshness

## Improved sustainability

More effective than competitors while using less plastic
